Subject: RE: CT12219-A and CT11794-S

Hi Lisa,

I am in receipt of the non-compliance letters for two SBA towers (re-attached the letters for reference). I have done some preliminary research and I'm hoping some of the details and information I have found will fill in the necessary information.

For Docket No. 380/ 314: (SBA Site: New Hartford 2, CT/ CT12219-S)

- Address: 170 Southeast Road (Formerly 47 Garrett Ridge Drive)

The history we have for this tower is as follows:

- 11/20/03 CSC approved application from Sprint (Docket 251) for 150' tower with a condition it be constructed in 1 year.
- 2/3/04 CSC approved Petition from Cellco to increase height to 160' (Petition 649).
- 8/12/04 CSC approved transfer of Certificate from Sprint to Bay. While Bay was finishing details of transfer, the Certificate expired.
- 7/27/06 CSC approved recertification to Bay (Docket 314).
- 4/28/08 CSC approved an extension of time to complete work on site.
- 7/28/09 CSC approved application from Bay (Docket 380) to build a 160' tower.
- SBA purchased the existing tower from Bay Communications at the end of 2009. We unfortunately were not provided with the documents being requested in the non-compliance

letter. **If I can provide drawings, building permit and certificate of occupancy would this suffice for this site?**

For Docket No. 396: (SBA Site: East Lyme 1/ CT11794-S)

- Address: 49 Brainerd Road
- This is a tower site that SBA constructed.
- Although I do not have all of the documents requested in the non-compliance letter, I can supply you with the building permit (issued by the Town of East Lyme), which was issued on 5/5/2011, along with the Certificate of Approval (issued by the Town) approved on 9/8/2011 (please see the attached). I have also been able to locate drawings that indicate they are Development and Management Plans. Will this information suffice for this site?

Please advise at your earliest opportunity. Also, if you could keep my information for future reference for any compliance related matters for SBA tower sites.

Thank you for your time and assistance.

Have a wonderful weekend.
